

How to use the COLOR WHEEL FOR DECORATING

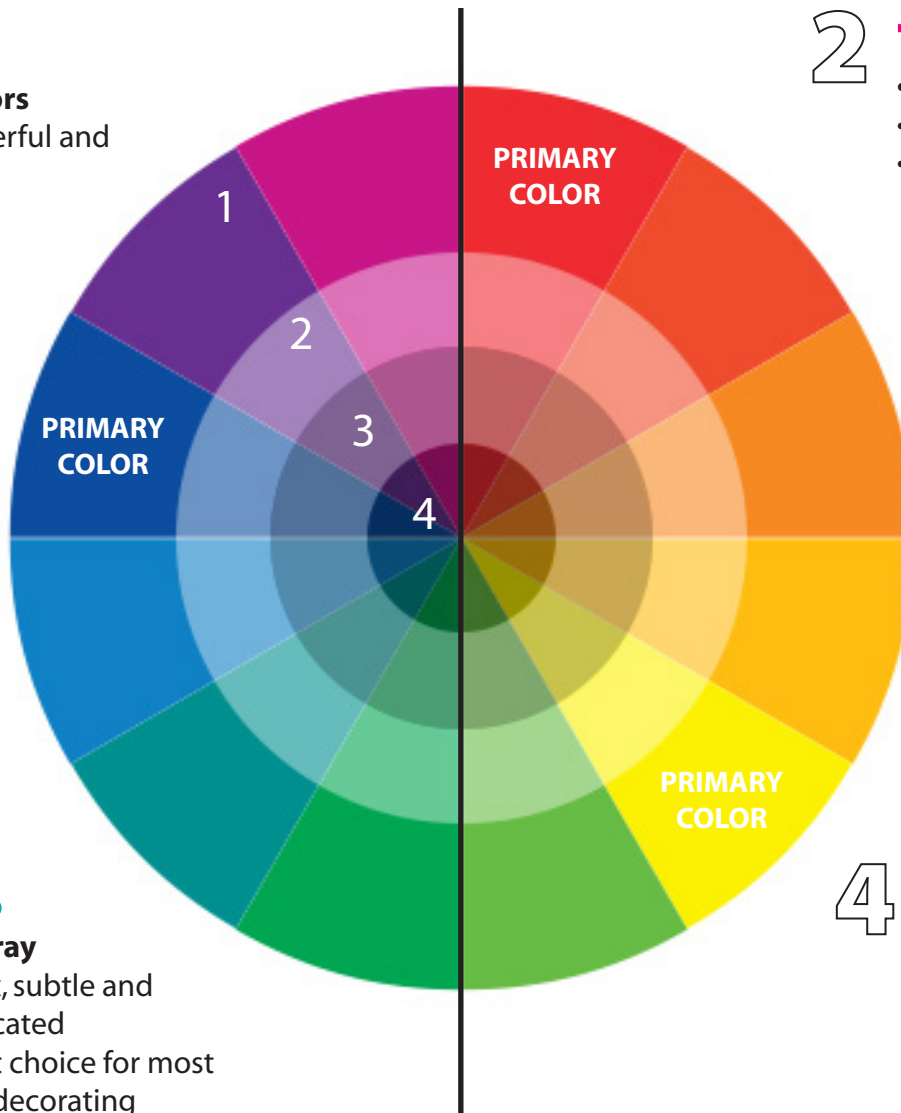

1 HUES

- pure colors
- bold, cheerful and exciting

2 TINTS

- hue + white
- also called pastels
- soft, youthful and soothing

COOL COLORS
blue undertones

WARM COLORS
yellow undertones

3 TONES

- hue + gray
- complex, subtle and sophisticated
- frequent choice for most interior decorating

4 SHADES

- hue + black
- deep, powerful, strong
- great accent colors

PRIMARY COLORS

Mix any two (plus white, gray, or black) to get all the other colors in between

FOR BEST RESULTS WHEN SELECTING A COLOR PALETTE

Choose all colors from the same ring:
Hue, Tint, Tone or Shade
